

SAVE 50% ON LASIK TREATMENT

**P32,500 instead of P65,000 for STANDARD LASIK
at Advanced Vision Laser Center**

1. Prospective patients, whether Filipino or foreigner residing in or outside the Philippines, can purchase Groupon at www.beeconomic.com on Monday, April 11, 2011.
2. Groupon is valid within April 11, 2011 to June 18, 2011.
3. Candidates for LASIK treatment must:
 - Be at least 21 years old.
 - Have a stable vision for the past year.
 - Have a suitable range of refractive errors.
 - Have healthy eyes, particularly free from complications and injuries.
 - Not be pregnant or nursing.
4. LASIK procedure covered under this promotion is Standard LASIK for all errors of refraction (*myopia* or nearsightedness, *hyperopia* or farsightedness and *astigmatism* or focusing problem) priced at P65,000.00

However, upgrade to other LASIK procedures is possible:

- a. MULTIFOCAL LASIK with reading problem (*presbyopia*) correction priced at P75,000.00 (Pay an additional P10,000.00 for a total cost of P42,500.00)
 - b. EPI-LASIK for all errors of refraction and reading problem correction priced at P85,000.00 (Pay an additional P20,000.00 for a total cost of P52,500.00)
5. Patients should pass the LASIK screening (valued at P2,000 per person) before any treatment is done. This will be given FREE to qualified patients. If the patient is not qualified, screening fee will be deducted from his payment of P32,500.00.
 6. Online payment is done through Groupon. A person can only buy 1 coupon for himself but he can buy up to 3 coupons as gifts.
 7. Appointment is required. Patients should call (63 2) 425-4030 / 507-6005 or mobile 0916-3969116.
 8. Patients can only avail of the treatment at Advanced Vision Laser Center located at Dr. Carlos L. Sevilla Eye Center, 6th Floor, New Annex Building, Makati Medical Center, #2 Amorsolo Street, Legaspi Village, Makati City. It is open from 8:00AM to 6:00PM (Monday to Friday) and 8:00AM to 4:00PM (Saturday) and closed during public holidays and Sunday.
 9. For detailed answers to questions about LASIK treatments, patients may visit the website of Advanced Vision Laser Center: www.advancedvision.com.ph.
